

SHOOF Quick Strap™

Features:

- New improved design
- Easy single button release
- Accommodates larger fetlock sizes
- Large, textured surface for writing on

Product Information:

New improved design. Quick Strap is now easier to use and remove. Large textured surface through the middle of the strap to write on. Clever design with longer length due to improved clip

design. The single protruding end acts like a flag waving on the cow's leg, or easily trim with scissors. The Quick Strap is removed with one hand by simply depressing the release button, ready for reuse. Quick Straps are New Zealand made in Polypropylene, which is commonly recycled in most areas. Sold as a pack of 5, in single-colour sets only. Straps are 34cm x 3cm.
