

# Bucas Power Cooler

## Features:

- T-bar with snap lock magnetic closure
- Stay dry lining
- Silk feel lining on the shoulders
- Attachment points for leg straps
- Internal cross surcingles
- Attachment points to use under any Bucas turnouts or stable rugs

## Product Information:

The Power Cooler is a high performance, lightweight multi-purpose rug that is ideal as a sweat rug, travel rug, competition and light stable rug.

It has a single layer of Stay-Dry fabric so when put on a wet horse it wicks moisture away and ensures that the horse dries faster.
