

# Rail Hang Feed Bucket

## Features:

- Rail hanging ability
- Heavy duty lasting plastic
- Suitable for variations of stock

## Product Information:

### Feed Bucket Rail Hanging 11-litre

The 11 litre rail bucket has been designed especially as a 'show feeder'. The rail hooks are very slim to fit between the vertical bars of show stalls. The buckets also stack very neatly for storage or transport. Hooks are 60mm deep. A carry handle is incorporated. Dimensions: 29cm x 29cm x 24cm deep o.a.

### Feed Bucket Rail Hanging 13-litre

This rail-hanging bucket incorporates rail hooks of a reinforced shape which will take the sort of pushing around a horse or cow is likely to give it. The 57mm hook space is big enough to go over our standard 50mm rough-sawn timber rails. The back of the bucket incorporates a carry handle. Dimensions: 30cm x 30cm x 26cm deep o.a.
