

MagicBrush Dog & Cat

Features:

- Original MagicBrush manufactured in Europe
- Robust, all-round dog brush
- Unique bristle structure for efficient cleaning & massage effect
- Machine washable

Product Information:

MagicBrush is the ideal brush for dogs with short and medium-length hair. The special structure and shape of the

bristles allow efficient but gentle cleaning while having a massage effect at the same time. The brush is also perfectly suitable when washing your dog.

MagicBrush is a high quality product, produced under strict EU regulations. The MagicBrush itself can be washed in the washing machine (max. 60 °C).

MagicBrush Horse

Features:

- Original MagicBrush manufactured in Europe
- Lightweight, colourful brush sets
- Unique bristle structure for efficient grooming & massage effect
- Can be used as a sweat scraper

Product Information:

Magic Brush is a high quality product that is designed and manufactured in Europe. Its unique triangular and conical shaped quadro bristles allow astonishing results in cleaning, grooming and massaging your horse.

MagicBrush is a handy tool to have in your grooming box as it doubles as a brush and a sweat/water scraper.

Two available options (hard and soft bristles)

- Hard – good for horses with thick coats and less sensitive skin
- Soft – Good for horses that have been clipped and have more sensitive skin
