

# Aesculap Fav5 Clippers

## Features:

- Lightweight, powerful clipper
- A5 clip on blades
- Quiet noise level
- 450gms weight

## Product Information:

The Fav 5 clipper is designed as a groomer's clipper, this lightweight, quiet clipper is extremely hard working and makes the hardest grooms a breeze. With the added benefit of being able to use A5 clip on blades. At 2,300 strokes/min the blades cut through the finest hair with ease. Total weight of this hand piece is 450gm and has been proven to be Aesculap's hardest working clippers.
