

# Drum Pumps

## Features:

- Superior polypropylene construction
- True double action pump
- Pumps from base of container by unique foot valve
- Pumps a wide range of liquid including diesel

## Product Information:

Farmhand drum pumps have a pumping action equal to any others in the market. They feature a non-drip swivel nozzle and safety strap. These pumps are not suitable for petrol or highly-flammable solvents. Supplied with extra male adapters: 25-Litre – 55mm, 63mm; 200-Litre – 55mm, 63mm and 69mm. Spares available. Instructions and parts list included.
