Obstetric Lube Pump

Features:

- · Valve for controlled delivery
- Wide neck for easy fill
- 2m long delivery hose
- 5lt capacity

Product Information:

Designed for controlled and direct delivery of obstetric lubricant, the lube pump ensures minimal waste and mess. Bottle is pumped prior to use and pump will deliver about 1 litre per minute through 2m long, 12mm—id plastic hose. Delivery is controlled via the valve on the tube. Will pump all types of lubricant.
